anesthesia: a history of Simpson's discovery of chloroform ..... 143
pediatric mechanical ventilators: an evaluation of performance characteristics ..... 255
protamine anaphylaxis: protocols for therapy in acute reactions ..... 454
Riley-Day syndrome: management of anesthesia for patients with familial dysautonomia ..... 446
Blood and lymphatics system:
allogenic bone marrow transplantation for aplastic anemia and acute leukemia ..... 27
hyperbilirubinemia in infectious mononucleosis, marked ..... 8
hypercalcemia, refractory: management with intravenous fluids and furosemide guided by Swan-Ganz monitoring ..... 16
sickle cell anemia ..... 266
Cameo:
dis-ease ..... 304
moonbeams ..... 533
our doctors' lounge, in ..... 585
surgeon and I, the family doctor, the ..... 475
Cardiology:
endomyocardial biopsy: diagnosis of Fabry's disease in congestive cardiomyopathy ..... 556
pacemakers, cardiac ..... 597
Cardiovascular system:
arterial trauma: traumatic nonpenetrating injuries of the cervical internal carotid and vertebral arteries ..... 305
congenital heart disease: recent advances in surgical management ..... 113
digoxin-quinidine interaction: clinical considerations of two potential mechanisms ..... 476
endomyocardial biopsy: diagnosis of Fabry's disease in congestive cardiomyopathy ..... 556
hammock position, the: a possible aid in the prophylactic treatment of DVT ..... 526
ischemia, acute extremity: diagnosis and therapeutic approach ..... 558
mannitol intoxication: physiologic consequences of overdose ..... 459
nondrug therapies ..... 164
pacemakers, cardiac ..... 597
percutaneous transluminal angioplasty: therapy for vascular occlusive disease of the lower extremities ..... 331
positive pressure ventilation: respiratory effects on EKG axes ..... 448
rocky mountain spotted fever in Kansas ..... 490
Current Comment:
allogenic bone marrow transplantation for aplastic anemia and acute leukemia ..... 27
asbestosis and asbestos-related disease ..... 392
cancer in old age ..... 566
malnutrition: recognition and correction by enteral nutrition ..... 341
Munchausen's syndrome and other factitious disease ..... 147
sickle cell anemia ..... 266
Sjögren's syndrome ..... 482
systemic fungal infections, antimicrobial treatment of ..... 72
Dermatology:
dioxin ..... 529
endomyocardial biopsy: diagnosis of Fabry's disease in congestive cardiomyopathy ..... 556
isotretinoin (Accutane) ..... 30
skin cancer: parameters for treatment ..... 59
Drug Information:
cimetidine *vs* ranitidine ..... 605
digoxin, drugs that increase the serum concentration of ..... 76
dioxin ..... 529
Drug Information Service, the ..... 153
drug interactions between anticonvulsants ..... 346
indomethacin-furosemide drug interaction ..... 271
insulin, an update on ..... 486
isotretinoin (Accutane) ..... 30
vitamin deficiencies, drug induced ..... 397
Emergency care:
arterial trauma: traumatic nonpenetrating injuries of the cervical internal carotid and vertebral arteries ..... 305
Endocrine system:
beta cell function: restoration and preservation of B-cells in children with type I diabetes ..... 321
Biostator glucose controller: its use during removal of an insulinoma ..... 563
insulin, an update on ..... 486
regimen design for the problem type II diabetic ..... 103
Endocrinology:
beta cell function: restoration and preservation of B-cells in children with type I diabetes ..... 321
bezoars: a complication of diabetic gastroparesis ..... 249
insulin, an update on ..... 486
regimen design for the problem type II diabetic ..... 103
Family practice:
family medicine education: a Kansas historical review, 1967-1982 ..... 138
